DRIVING AND PARKING PROCEDURES

Barbour County Schools provides bus service for all students. This is the safest, most dependable way to get to school. We would prefer that all students be transported by bus. Being authorized to drive a private vehicle on school grounds is a privilege. In order to maintain such privileges, students must abide by the stipulations outlined in the parking agreement, signed by both the student and the parent. Unauthorized driving, reckless driving, and excessive speed will not be permitted. To obtain a parking pass students must have the following:

- * Valid Drivers' License
- * Valid Registration of Primary Vehicle
- * Valid Insurance Statement for Primary Vehicle
- * GPA of at least 2.0 for the most recently completed semester. Report card verification must accompany application.

To obtain and maintain a parking permit, students must comply with the following school regulations:

- * Student drivers must purchase their own permit at a cost of \$40 for a year pass. (There will be no refund for violations that result in an exclusion of parking privileges.)
- * Permits must be visible, hanging from the rear view mirror to be visible from the outside.
- * Students must park in the designated space assigned to them, cars must be face forward in paved spot.
- * Students given permission to park will not go to the parking area until the designated time to leave school grounds unless permission from school administration is granted.
- * If a vehicle is used to leave school grounds for a reason that is not authorized by school administration, the student will forfeit their parking privilege. (There will be no refund.)
- * Students in vehicles on school property are subject to the same behavior expectations as outlined for students in the building.
- * **Students with 6 or more unexcused absences in a semester or more than 6 tardies in 1st period will have their parking privileges revoked for the remainder of the semester.**
- * Students demonstrating unsafe driving practices on school property will lose parking privileges. (1st offense – 5 days, 2nd offense- 20 days, 3rd offense-permanent revocation.) All students are required to use the parking lot closest to the 4-H Road.
- * Students are not to enter or park on the athletic entrance/field side or cafeteria parking lot. Cars should remain in the student parking area.
- * Students are to use the side entrances only to/from the student parking lot. The road behind and in front of the school is off limits due to loading and unloading of students at the beginning and end of the day.

Noncompliance with parking rules or safety violations will result in up to 3 tickets and/or the towing of the vehicle at the owner's expense and confiscation of the parking tag without warning.

*****As per WV Code 18-2-7b, WV State Board of Education Policy 2422.5, driving to schools is considered an extracurricular activity, and as such, it falls under the requirement of the random drug testing policy in place for Barbour County Schools.*****

VEHICLE SEARCHES

A student's vehicle, while on school property, is subject to search by a teacher or other school official if there are reasonable grounds to suspect that the search will produce evidence that a student has violated or is violating either the law or rules of the school. Such searches will be conducted in the present of an adult witness.

I have read and understand the rules and I agree to follow them:
